

# The Rockpile Rumble

THE VIEWS ARE  
WORTH THE CLIMB

THE BRIDGE SPANNING LAKE SONOMA  
is the beginning of the climb(ing)

ROCKPILE  
VITICULTURAL  
AREA

The Rockpile Rumble offers the serious cyclist a challenge that is fully supported. This out and back route is used by many pros during training.

The views are spectacular at the top of each climb, culminating with a panoramic view of seven different counties while you recharge your batteries at the rest stop.
